

Amos leads the Tooting attack

WITH their brave F.A. Cup run now over after Saturday's 3-1 defeat at the hands of Peterborough United, Wycombe Wanderers make a start at reducing their mounting fixture backlog in the Rothmans Isthmian League with a visit to Tooting and Mitcham tomorrow (Saturday).

At Sandy Lane, Wanderers will meet up with former player Tony Amos, who joined Tooting from Hayes in October. With Wycombe he hit over 20 goals last term before he departed in April.

Since leaving Hayes he has scored four goals for Tooting and has struck up a good understanding with top scorer Alan Ives, who has 14 goals to his credit this season. The team has changed little from the one that took a point at Loakes Park in September.

Wycombe, fielding several new faces in that game, were decidedly lucky to draw when Tony Price scored in the 90th minute to take a share of the points. Dave Bullock was Wycombe's other scorer while Pettet and Clark replied for Tooting.

Both Clark and Pettet will not play tomorrow. Pettet has left the club and Clark is out with hamstring trouble.

Tooting's fortunes have suf-

fered recently and they will be hoping to break a sequence of two league defeats on the trot. They crashed 5-1 at home to Ilford a fortnight ago and 2-1 at Leatherhead last week. Alan Ives scored in the first minute of that game.

Wycombe trained on Wednesday and it is unlikely that they will change from the Peterborough line-up, although Paul Birdseye may come into contention for a place in the defence.
